

February 2016

Dear Microbiologics Customer,

The name of Microbiologics product 0261 (derived from ATCC® 31488™*) has been changed from *Klebsiella pneumoniae* subsp. *pneumoniae* to *Klebsiella variicola*.

ATCC reported to Microbiologics that the name of ATCC® 31488™* was changed because they have sequenced the rpoB gene.

Sincerely,

Megan Murn
Technical Support Supervisor
