October 2023

Dear Valued Customer,

The name of Microbiologics® product 0201, derived from ATCC 14581*, has been changed from *Bacillus megaterium* to *Priestia megaterium*. ATCC reported to Microbiologics that the name of ATCC 14581* was changed as a result of a published reclassification and provided the following reference.

Gupta RS, Patel S, Saini N, Chen S. Robust demarcation of 17 distinct *Bacillus* species clades, proposed as novel *Bacillaceae* genera, by phylogenomics and comparative genomic analyses: description of *Robertmurraya kyonggiensis* sp. nov. and proposal for an emended genus *Bacillus* limiting it only to the members of the Subtilis and Cereus clades of species. *Int J Syst Evol Microbiol* 2020; **70**:5753-5798.

Thank you again for contacting us. As always, it is a privilege to serve you. We want our customers to purchase our products with absolute confidence, knowing they are manufactured to the highest possible standards.

Kind regards,

MACKENZIE FORSETH
